

# Agenda

## Wednesday 7 September 2022

11:00 Technical Checks for First Session

12:00 Welcome Buffet Lunch

13:00 Welcome and Opening Address

13:10 Nuclear Research Consortia Updates

Facilitators: Dr. Joanna Renshaw (University of Strathclyde) and Prof. Malcolm Joyce (Lancaster University)

- Nuclear Energy Futures CDT – Dr. Mark Wenman Imperial College London
- ATLANTIC – Prof. Bruce Hanson University of Leeds
- TRANSCEND – Prof. Michael Fairweather University of Leeds
- MIDAS – Dr. Philipp Frankel University of Manchester
- SINDRI – Prof. Mahmoud Mostafavi University of Bristol
- RAIN – Prof. Barry Lennox University of Manchester
- GREEN CDT – Prof. Colin Boxall University of Manchester
- NIRAB – Simon Franklin Nuclear Innovation & Research Office (NIRO)
- MATHRAD – Prof. Eugene Shwageraus University of Cambridge

14:30 Comfort Break (including technical checks for following session)

15:00 National Facilities Updates

Facilitators: Dr. Clare Thorpe (University of Sheffield) and Dr. Jonathan Tate (Imperial College London)

- Prof. Chris Grovenor Oxford University
- Dr. Fred Mosselmanns Diamond Light Source Ltd
- Prof. Abbie Jones University of Manchester
- Dr. Riza Batista-Navarro (Online) University of Manchester
- Dr. Peter Martin University of Bristol
- Dr. Lewis Blackburn University of Sheffield
- Christopher Carlton Engineering and Physical Sciences Research Council

16:30 Comfort Break (including technical checks for following session)

16:50 Developments in North America

Facilitator: Prof. Ian Farnan (University of Cambridge)

- Dr. Rory Kennedy US Nuclear Science User Facilities
- Suibel Schuppner U.S. Department of Energy
- Jerry Hopwood (Online) UNENE

19:15 Drinks and dinner, with Guest Speaker Corhyn Parr, CEO of Nuclear Waste Services

Merchant House, 7 West George St, Glasgow G2 1BA

## Agenda (Times subject to change)

### Thursday 8 September 2022

09:00 Welcome Refreshments (including technical checks for following session)

09:30 International Session

Facilitator: Dr. Joanna Renshaw (University of Strathclyde)

- Prof. Lyndon Edwards (Online)
- Christopher Carlton
- Dr. Michael Rushton (Online)

Australian Nuclear Science and Technology  
Engineering and Physical Sciences Research Council  
Bangor University (JUNO)

OTHER ANNOUNCEMENTS

- Katherine Morris
- Iain Darby
- John Norton

Nuclear Waste Services Research Support Office (RSO)  
Dounreay  
Magnox

10:30 Comfort Break (including technical checks for following session)

10:45 Nuclear Training and Physics Community Update

Facilitators: Prof. Karl Whittle (University of Liverpool) and Michael Fitzpatrick (Coventry University)

- Prof. Patrick Regan (Physics)
- Jo Tipa (Training)
- Hannah Fenwick (Training)
- Sarah Beacock (Training)
- Alan Poole (Training), (Online)

University of Surrey and NPL  
Nuclear Skills Academy for Nuclear  
NI YGN  
Nuclear Institute  
Jacobs Energy, Security and Technology

12:15 Buffet Lunch (including technical checks for following session)

13:15 Panel Discussion: New Nuclear in the UK and Beyond

Facilitator: Prof. Robin Grimes (Imperial College London)

- Virginia Crosbie, MP (Online)
- Si Dilks, Head of Nuclear and Renewable Innovation
- Michael Crawforth, Business Development Manager
- Dr. Amanda Quadling, Director of Materials
- David Nettleship, Senior Strategy Consultant
- Prof. Neil Hyatt, Chief Scientific Adviser

Conservative MP for Ynys Môn  
BEIS  
Rolls-Royce SMR  
UKAEA  
Cavendish Nuclear  
Nuclear Waste Services
